

Notice of Transfer of Case to Electronic Case Filing System

Effective December 17, 1998, this case is on the Electronic Case Filing System and is no longer docketed on BANCAP, the previously used docketing system. Entries made up until the conversion can be viewed on PACER. Attorneys must comply with General Order #192 and file all new documents on the Electronic Case Filing System.

The BANCAP docket is entered as Document #1 on the Electronic Case Filing System and SELECTED documents from the case file may have been entered in their entirety on ECF. However, the docket numbers for those documents on the BANCAP docket DO NOT MATCH the numbers assigned in the Electronic Case Filing System.

If you are filing a document that references one of the documents transferred to the Electronic Case Filing System, use the document number assigned in ECF. Otherwise, reference the BANCAP # and annotate it as follows:

"#____ BANCAP (SEE DOCUMENT #1)"
